Dear Anne and Kevin

I wish to offer my congratulations to the Farina Restoration Group on being presented with the People's Choice Award at the recent 2017 Regional Showcase event held in Whyalla recently.

It is such a coup for your band of helpers who are faced with the tyranny of distance and the overall logistics of trying to restore the town of Farina in the State's Far North.

The restoration of the bakery and the overall preservation of the township is a credit to the group and the bakery has undoubtedly further placed Farina on the map, for not only the locals, but also offering appeal to visitors to the area.

It would be appreciated if you could pass on my congratulations to the group members and volunteers on their tremendous achievement.

Yours sincerely
